2016 Annual Report

Care & Share is...

a public, non-profit 501(C)(3) charity formed in June 1998 exclusively to respond to the critical needs of Dorchester County citizens that cannot be met by other public or private sources. We have no paid staff, so 97.2% of donated funds go directly to citizens in need.

Our Vision

We envision a community that promotes the health, safety and wellbeing of our citizens.

Our Mission

We are committed to assisting individuals and families in need, enhancing services to families and strengthening our community.

We are dedicated to helping our vulnerable adults remain safe and healthy in their homes.

2016 HIGHLIGHTS

We continued to help citizens with urgent unmet needs that may have jeopardized their health or safety. Our families continue to struggle to meet their basic needs due to loss of employment and/or the high cost of fuel, utilities and medications.
